

Supervisors and Specialists for an international Onshore long-term project

We are currently building a team of experienced and dedicated professionals for an exciting upcoming onshore project. The project is anticipated to run for 2–3 years, with a planned start later this year.

Project Details:

- Rotation: 3 weeks on / 3 weeks off.
- Working hours: approx 40-45 hours per week onshore in Europa.
- Employment: Individual monthly salary based on experience and qualifications.
- Office-based work on site, consisting of preparing work to be carried out in the field.

Positions Available:

- Electrical & Instrumentation (E/I) Supervisor or Specialist in work preparation
- Mechanical, Supervisor or Specialist in work preparation
- Scaffolding, Supervisor or Specialist in work preparation
- Painting, Supervisor or Specialist in work preparation

Candidate Profile:

- Proven experience in your field, with great computer skills
- Strong communication and teamwork skills
- Self-motivated and reliable
- Fluent English (spoken and written)

This is a great opportunity to be considered for a long-term, high-profile project offering steady rotation and competitive conditions.
