

# Experienced Banksman & Rigger – Offshore Wind Project in Taiwan

We are currently looking for skilled and experienced Banksman & Riggers to join our team for an offshore wind project in Taiwan, with mobilisation planned for August 2025.

This is a great opportunity to work on a high-profile international project with a dedicated and professional team.

## Requirements:

- Valid and **complete GWO certificate package** (Working at Heights, Manual Handling, Fire Awareness, First Aid, and Sea Survival) – **this is a strict requirement**
- Previous offshore experience as a Banksman and/or Rigger
- Ability to communicate clearly in English, both written and spoken – this is essential for safety and coordination on site
- Valid offshore medical and other relevant certificates are a plus

## Project Details:

- **Location:** Offshore Taiwan
- **Mobilisation:** August 2025
- **Rotation:** 28 days offshore (exact rotation plan will be confirmed)
- **Duration:** Project-based

You will be working as part of an international team in a fast-paced and safety-focused environment. We are looking for candidates who are reliable, proactive, and committed to maintaining the highest standards of safety and performance.

## How to Apply:

Please submit your CV and valid certificates via the link below. If you have any questions about the position, you are very welcome to contact our recruiter Anna Dam +45 7916 6768 or Email [anna@semcomaritime.com](mailto:anna@semcomaritime.com).

We look forward to hearing from you!
