

# Student Assistant for Procurement - Global Sourcing Excellence

*Are you an ambitious student with a passion for innovation, optimization and change management? Then join us on the journey of developing more sustainable supply chains and innovating our sourcing processes!*

## **Your position**

As our new Student Assistant in Semco Maritime you will be a vital part of our Procurement team, assisting with different exciting tasks related to optimizing our business processes in our Global Sourcing Excellence Team. You will have the opportunity to take ownership and manage your own tasks within our Team.

At Semco Maritime safety is a core value, and in this role, you will contribute to maintaining and promoting a strong safety culture while delivering innovative solutions. Above all, your work will make a real change for the global energy sector.

Your place of work will be at our Global HQ located in Esbjerg, the hub of the Danish energy industry, right on the waterfront – views do not get any better than this.

We invest in our young talent, so you can expect great colleagues that will help you take your career to the next level, developing yourself professionally as well as personally. Furthermore, you will have the opportunity to be part of Semco's Dedicated Youth, the youth-network in Esbjerg 'ESKAN' and much more.

## **Your tasks & responsibilities**

You will be supporting our Global Sourcing Excellence Lead with a lot of exciting tasks related to innovating our procurement processes and establishing sustainable supply chains. You will gain unique insight and experience in change management and business development.

You will have a broad variety of tasks, including but not limited to:

- Supplier qualification process follow-ups
- Digitalization of our procurement processes
- Supporting the development of a sustainable supply chain
- Business optimization
- Supporting the procurement team with ad-hoc and administrative tasks

## **Your profile & qualifications**

We imagine that you are organized, structured and quality-minded in your work. Furthermore, you should have a high drive, be pro-active and motivated. This position calls for an ambitious and self-driven person, as we have a lot of exciting work to do, because Semco Maritime is growing!

To succeed in this position, we expect that you:

- You are currently enrolled in a relevant higher-level education program and are in the early stages of your studies.
- Have good communication skills in English, written and oral
- Have good IT-skills and are an experienced user of MS Office
- Are an avid team-player with great interpersonal skills
- Are available to work 15 – 20 hours a week during regular business hours, 08:00 am – 05:00 pm

## **Welcome to Semco Maritime**

At Semco Maritime, we create change. For people. For projects. And for the global energy sector. With us, you will join a community of over 2,300 of the most dedicated thinkers and doers in the energy industry who are driving real change and making their own personal mark on the global energy landscape.

While everyone knows *why* the energy transition is vital, we are concerned with the journey. *How* to get there. By providing the answers needed to make change real. Because we believe that global energy ambitions can only be realized through hard work and clever pragmatic solutions. This is what we do. This is what we invite you to participate in.

Safety is at the core of everything we do, and we are committed to protecting our people, partners, and the planet as we work towards a sustainable energy future.

So yes, working for us will change the energy sector – and may well change you too.

**Care to join the movement?**

**Change. With us.**

We conduct our interviews on an ongoing basis, so if you are interested, you must submit your application as soon as possible via the link on the page.
