

# Scaffolder for Offshore Project in Germany

Are you a skilled and safety-conscious scaffolder looking for your next offshore opportunity? We are currently seeking a qualified and experienced Scaffolder to join our team on an exciting offshore project located near Emden in Germany. This is a great opportunity to work in a professional and challenging environment with a strong focus on safety and teamwork.

- **Rotation:** 2 weeks on / 2 weeks off
- **Start Date:** 03/06/2025
- **Duration:** Approximately 2–3 months
- **Working Hours:** 12 hours per day

## Key Responsibilities:

- Installation and dismantling of scaffolding structures offshore
- Ensuring all scaffolding work is carried out safely and in compliance with offshore regulations
- Daily inspections and maintenance of scaffold materials
- Supporting rigging tasks and coordination with other offshore teams

## Requirements:

- Valid FOET/BOSIET certificate
- Valid and complete GWO certification
- Working at Heights certificate (issued within the last 12 months)
- Valid A1 certificate
- Minimum Rigger Stage 1 certification
- Good English communication skills, both written and spoken
- Experience working in offshore environments is a must

## Welcome to Semco Maritime:

Please submit your application via the link provided. We are reviewing applications and conducting interviews on an ongoing basis, so early submission is encouraged.

If you have any questions about the position, you are welcome to contact Recruiter Anna Dam at +45 41 21 96 83 or mail [anna@semcomaritime.com](mailto:anna@semcomaritime.com).
