

Student Assistant - Innovation

Help shape the future of innovation at Semco Maritime

Are you passionate about communication, branding, and innovation? Do you enjoy transforming ideas into impactful presentations, visuals and stories? If so, we invite you to become part of our fast-moving Innovation team where creativity, technology, and collaboration drive meaningful change.

Your position

You will become a valuable member of a dedicated team, whose mission is to drive innovation and foster a culture of creativity across Semco Maritime. You will have the chance to shape the branding and communication of innovation initiatives, helping elevate our profile internally and externally.

At Semco Maritime, safety is a core value, and in this role, you will contribute to maintaining and promoting a strong safety culture while delivering innovative solutions. Above all, your work will make a real change for the global energy sector.

Your place of work will be at our Global HQ located in Esbjerg, the hub of the Danish energy industry, right on the waterfront – views do not get any better than this. The position is part-time, 10–15 hours per week onsite during office hours (8:00–16:00).

“You will be part of a dedicated and agile team determined to prove the value of an innovation mindset across the organization, while actively engaging internally as well as with vendors and clients.” - Head of Innovation, Martin Ejlskov

Your tasks & responsibilities

As a Student Assistant, you will be responsible for strengthening the visibility and identity of our Innovation team through creative communication.

Your tasks will include but are not limited to:

- Crafting engaging content for internal and external platforms – including visuals, graphics, and written communication
- Supporting campaigns that promote innovation culture and storytelling
- Assisting with the planning and execution of innovation events
- Translating ideas and strategies into professional and appealing visual materials
- Supporting and adhering to health, safety, and environmental standards in all activities

Your profile & qualifications

We are looking for an outgoing and creative student who is passionate about innovation, communication, and visual storytelling. You have a proactive and organised approach to your work and are eager to make a difference through creativity and collaboration.

To succeed in this position, we imagine that you have:

- Ongoing education in communication, marketing, design, innovation, or a related field
- Fluency in English and Danish through strong written and verbal communication skills
- Experience with content creation and design tools (e.g., Canva, Adobe Suite, PowerPoint)
- Ability to work independently and balance multiple tasks in a fast-paced environment
- A keen eye for layout, branding, and visual storytelling

Welcome to Semco Maritime

At Semco Maritime, we create change. For people. For projects. And for the global energy sector. With us, you will join a community of over 2,500 of the most dedicated thinkers and doers in the energy industry who are driving real change and making their own personal mark on the global energy landscape.

While everyone knows why the energy transition is vital, we are concerned with the journey. How to get there. By providing the answers needed to make change real. Because we believe that global energy ambitions can only be realized through hard work and clever pragmatic solutions. This is what we do. This is what we invite you to participate in.

Safety is at the core of everything we do, and we are committed to protecting our people, partners, and the planet as we work towards a sustainable energy future.

So yes, working for us will change the energy sector – and may well change you too.

Care to join the movement?

Change. With us.

We are conducting interviews on an ongoing basis — so don't wait too long to apply!
